⚠ The R 3 969,45 is added to your total taxable income. The rate that applies is your marginal rate on that incremental amount. Confirm final figures with a tax practitioner before submitting your ITR12.

INCOME TAX NOTE — STAKING REWARD (TY2026)

The **R 201,41** received from Luno Savings on 16 Jul 2025 is likely taxable as **gross income** (not CGT) under s1 of the Income Tax Act — staking and interest rewards are treated as revenue receipts in the year of receipt. Declare as "other income" on your ITR12 for the 2026 tax year.
